

Good afternoon, Greeter Team,

I have attached a revised schedule for November and December and the schedule for Thanksgiving, Holy Day, and Christmas Masses. Please take time to carefully review the documents.

I provide a copy of the schedule to Cheryl Danzl in the Parish Office, and she kindly posts it on the bulletin board in the Church Sacristy.

Reminder, to please be at San Rafael Parish 30 minutes BEFORE our scheduled Mass time. Remember to wear your Personalized Greeter Badge or use a generic badge in the cabinet. Greet your fellow Parishioners and guests as they enter the Parish until the presiding priest and altar servers form a line to enter the Parish. You then find your seat. Participate in mass until the last blessing; quietly walk to the entrance of the Parish where you will see a stack of bulletins which ushers have placed on the Greeter's table. Each Greeter takes a pile of bulletins and stands at the doors to pass them out.

And finally, if you need to request a substitute Greeter, the most effective and quickest method is to send a 'shotgun' email (using RESPOND ALL from this email works well). This can help save time and usually gets a quicker response – but you may also call someone specifically using the phone number listed in the Greeter Directory, when I get it out later this month. Kindly, I am requesting you to take responsibility to find your replacement, substitute Greeter.

I want to personally acknowledge each of you for your tremendous devotion to the Greeter Ministry and San Rafael Parish throughout the past year. I deeply appreciate the time and energy you give, and sincerely want to express my gratitude for your service. Thank you and God Bless you.

Stay healthy and safe during the Holiday Season.

With sincere gratitude,

Sandra Strong
